ODOR CONTROL

NON TOXIC - SAFE TO USE - PLEASANT FRAGRANCE

Description:

ODOR CONTROL is very effective in destroying the worst malodors. **ODOR CONTROL** is excellent on pet and urine odors, cooking and fire odors, garbage odors, skunk smells, drain and tobacco odors and stale smoke. The uses for **ODOR CONTROL** are endless. It can be used on pet boxes, bed pans, diaper pails, laundry water, chemical toilets, mop water, dairy barns, garbage pails, fish markets, food plants, zoos, schools, and carpet cleaning. It neutralizes the source without staining or corrosion. It is non-toxic and non-flammable. **ODOR CONTROL** is biodegradable.

Directions:

1. Regular deodorizing: Light cleaning, damp mopping, add 1-2 ounces of **ODOR CONTROL** to a gallon of water.
2. Carpets: Add 1/2 to 1 ounce per gallon to diluted shampoo or extraction solution.
3. Fogging: Use 1 part **ODOR CONTROL** with 1 part water. air blow dryer.
4. Hand Spraying: Misting - add 4 oz. per gallon of water.
5. Rinse Water: Add 1 oz. per gallon water.
6. Carpet Injection: Mix 1 part water with one part **ODOR CONTROL** and inject with syringe into carpet pad and backing. (TEST A SMALL AREA FOR COLORING BEFORE USING THIS PRODUCT.)
