

WENMIX # L28

CRYSTAL CLEAN

WENCO® CRYSTAL CLEAN™ liquid laundry detergent is safe on all types of washable fabrics in all water temperatures and hardness conditions. Its quick-dispersing action emulsifies and gently lifts and holds soils from re-depositing back onto clean clothes. The easy flow consistency makes it ideal for dispensing through automatic feed systems in commercial applications. It rinses out completely while leaving a fresh clean scent behind. CRYSTAL CLEAN™ liquid laundry detergent is recommended for use in commercial and standard home style top loading washing machines. Works equally well in modern front loading, high efficiency laundry machines.

APPLICATIONS: Health Care, Athletics, Sports Facilities, Day Care Centers, Schools, Universities, and Industrial Laundries.

DIRECTIONS FOR USE

WEAR GLOVES & EYE PROTECTION

Contact your Walter E. Nelson sales representative for proper machine setup, dilution and use instructions.

- Sort laundry accordingly.
- Product usage / Starting Dilutions *
 - High Efficiency machines: Add 2oz. per load
 - Top loading machines: Add 4oz. per load
 - Commercial Machines: Add 4-8oz. per 50-75 lbs

* Amount of CRYSTAL CLEAN™ liquid laundry detergent needed depends on soil load and machine capacity. Consult your chemical representative for more information.

ITEM# **FCWML28G**

TECHNICAL PROPERTIES

Form.....Liquid
 Color.....Blue
