

# A.C.T. SOFTENER™

## Fabric Softener

WENCO® A.C.T. SOFTENER™ is a fabric softener and conditioner offering many advantages for commercial and industrial laundries. A.C.T. SOFTENER™ makes clothing and fabrics soft and fluffy. It reduces static charge on fabric and will minimize “cling” and shake out time. A.C.T. SOFTENER™ reduces extraction or drying time and increases production rate. Treated fabric has less tendency to develop mildew or odor. A.C.T. SOFTENER™ is excellent for diapers, blankets, clothes, linen, etc.

### DIRECTIONS FOR USE

**WEAR GLOVES & EYE PROTECTION**

**Contact your Walter E. Nelson sales representative for proper machine setup, dilution and use instructions.**

1. Use 1 to 3 ounces per 100 lbs. dry weight for commercial work. Add to last water and run five minutes.
2. In smaller machines use one tablespoon per 25 lbs. or 1 teaspoon per home type washer in last rinse water.
3. Do not exceed recommended wash concentration. **Excessively high concentrations will decrease fabric absorbency.**
