

ADVANCE PF™

Phosphate Free Powdered Laundry Detergent

WENCO® WENCO ADVANCE PF™ is a premium powder laundry compound with enzymes and optical brighteners creating amazing results without phosphates. The combination of mild detergent agents and two specific enzymes attacks and breaks apart organic protein and oily soils easily and effectively. **ADVANCE PF™** is an excellent choice in shirt laundries, family laundries and hospitality applications for premium results and minimum rejects. This advanced compound dissolves completely and is safe on all fabrics leaving a fresh lemon scent.
