

COAST 302™

Industrial Strength Degreaser

ITEM# MC1118835

COAST 302™
 Industrial Strength Degreaser

WENCO® COAST 302™ is a heavy duty all purpose cleaner degreaser designed to clean the heaviest types of soils in industrial applications. COAST 302™ does not contain caustic or solvents. Safe for use on all water washable surfaces, it removes “tough” grease and grime with ease. Experimentation at different dilution ratios for different cleaning tasks will help to providing better in-use economy. Ideally suited for different markets; manufacturing, transportation, construction, etc. Lifts out greasy soils on hard surfaces with ease; concrete floors, painted walls, brick.

DIRECTIONS FOR USE

PAINTED SURFACES:

12 - 8oz. per gallon of water (1:10 – 1:16)

GENERAL DEGREASING:

25 – 16oz. per gallon of water (1:5 – 1:8)

CONCRETE FLOOR CLEANING:

128 – 64oz. per gallon of water (1:1 – 1:2)

EXTREME SOIL CLEANING:

Experiment with different dilution ratios. Using the product full strength will not work as well as mixing it with water. Allow sufficient contact time to help loosen soil. Using a scrub brush / pad can help speed up cleaning. Rinsing may be required on heavily soiled surfaces.

TECHNICAL PROPERTIES

Form.....	Liquid
Color.....	Yellow
Fragrance.....	None
pH.....	12.0 - 13.0
Specific Gravity @ 75°F.....	1.068
Density @ 75°F.....	8.89 lbs. Per Gallon
Viscosity @ 75°F.....	Thin
Stability.....	1 Year Minimum
Solvents.....	None

AVAILABLE SIZES

- ✓ **5 Gallon Pail**
100% Recyclable
- ✓ **55 Gallon Drum**
Reconditioned, Reused

1	HEALTH
0	FLAMMABILITY
0	REACTIVITY
B	PERSONAL PROTECTION
