

CRITTERS™

5-Strain Synergized Bacteria with Odor Control

ITEM# FCCR

CRITTERS™
 5-Strain Synergized Bacteria with Odor Control

WENCO® CRITTERS™ is Highly Resistant to Disinfectants, Detergents, Sanitizers & Free Chlorine. Digests and Liquefies Organic Waste, Grease & Food by-Products, Reduces Suspended Solids, Eliminates Malodors. Whenever soiled waste and heavy greases can accumulate in a food service plumbing system (elbows, bends, joints, and Q ups), **CRITTERS™**, will build colonies of specially bio-engineered bacteria producing enzymes designed to break apart food sources for bacterial digestion, the end products being harmless carbon dioxide and water. **CRITTERS™** is extremely effective in food service and kitchen applications. **NOTE:** Do not subject product to extremely hot or boiling water.

DIRECTIONS FOR USE

GENERAL ODOR CONTROL

To eliminate odor caused by vomit, spoiled foods, garbage, locker rooms, carpet, etc. Spray **CRITTERS™** directly on malodor, allow the bacterial action to ingest the material and the pleasant fragrance to neutralize the odor.

GREASE TRAPS

For traps less than 20 cubic feet capacity, add 4-5 oz. of **CRITTERS™** daily, by pouring into a sink or pipeline closest to the trap. Add to drain at night or when the traps are used the least. After adding, flush down with a cup of lukewarm water. Larger traps: add 8-10 ounces as directed above.

PORTA-TOILETS

Add 1 gallon directly over the solids with water to aid digestion. Every time the toilet is pumped, start treatment again with 1 gallon of **CRITTERS™**.

TECHNICAL PROPERTIES

Form.....	Liquid
Color.....	White
Fragrance.....	Perfumed
pH.....	6.5 - 7.5
Specific Gravity @ 75°F.....	1.0
Density @ 75°F.....	8.32 lbs Per Gallon
Viscosity @ 75°F.....	Thin
Effective pH Range.....	5.0 - 8.0
Stability.....	1
Year	Minimum
Flash Point.....	None

AVAILABLE SIZES

- ✓ **12x1 Quart Case**
100% Recyclable
- ✓ **4x1 Gallon Case**
Bottles Contain 25% PCR
Carton Contains 55% PCF
- ✓ **5 Gallon Pail**
100% Recyclable
- ✓ **55 Gallon Drum**
Reconditioned, Reused
