Cleaner & Protectant

DOOR SHEEN™
Cleaner & Protectant

WENCO® DOOR SHEEN™ is a water based multi surface polish. Designed to be used on a multitude of surfaces by applying a non-oily silicone film to protect and shine. Gives rich luster back to the surface. Anti-static properties help to prevent dust and dirt from “clinging” back on to the surface. Safe to use on all water washable surfaces not harmed by water alone. Cleans and protects all in one easy step.

Cleans, shines & protects:

- Vinyl • Door panels • Leather • Finished wood • Rubber • Plastic laminate • Paneling • Chairs • Desks • Fiberglass®

DIRECTIONS FOR USE

Before using, read and understand current Material Safety Data Sheet for this product.

Ready to Use

Apply by spraying onto clean rag / towel or directly to the surface to be cleaned and polished.

Wipe entire area while turning the rag / towel over frequently. Surface dries with a clean protective shine.
