

NEW-TECH FLOOR SYSTEMS IMPLOSION™ High Performance Stripper

WENCO® IMPLOSION™ is the “next generation” in floor stripping technology. It quickly penetrates into multiple coats of all types of water based floor finishes and non-permanent sealers with ease. Its lower V.O.C. (volatile organic compounds) is pleasant to use especially where odor sensitivity is a must. Fast and effective, **IMPLOSION™** will save you time and money. It effectively strips in half the normal time of competitive strippers. Uses cold water for longer contact time and emulsification of finish.

DIRECTIONS FOR USE

Test for softening or color bleeding in an inconspicuous area before using is recommended. Do not use on marble, wood, asbestos tile, rubber or painted surfaces.

1. Dust mop entire area to be stripped.
2. Dilute **IMPLOSION™** accordingly:

DILUTE 1:4 (32oz. per gallon) with cold water.

3. Apply liberally to the floor. Depending on build-up let stand 8-12 minutes. DO NOT LET STRIPPER DRY. Make sure to keep floor area wet at all times. Be careful as floor can become very slippery.
4. Scrub area with floor machine and stripping pad / brushes.
5. Pick up all the stripper/finish solution with a clean mop, wet vac or automatic scrubber.
6. Depending upon extreme finish build-up (10+) repeat if necessary.
7. Rinse floor thoroughly with clean water. If available, add a neutralizer to your rinse water to help speed up the rinsing process. Change rinse water frequently as it becomes visibly soiled.
8. Allow floor to dry thoroughly before applying any seal / finish.

When diluted 1:8 with **COLD WATER** this product may be used on vinyl/linoleum floors with caution.

TECHNICAL PROPERTIES

Form.....Liquid
 Color.....Pink
 pH.....12.5 - 13.5
 Specific Gravity @75°F.....1.02
 Density @ 75°F.....8.47 lbs Per Gallon
 Viscosity @ 75°F.....Thin
 Stability.....1 Year Minimum

AVAILABLE SIZES

- ✓ **4x1 Gallon Case**
Bottles Contain 25% PCR
Carton Contains 55% PCF
- ✓ **5 Gallon Pail**
100% Recyclable
- ✓ **55 Gallon Drum**
Reconditioned, Reused

ITEM# **FCIMPLOS**
