MEAN JOE™
Heavy Duty Multi-Purpose Cleaner

WENCO® MEAN JOE™ is a specially formulated industrial strength heavy duty cleaner designed for the difficult problems found in industrial and institutional plants. MEAN JOE™ is a synergistic formulation of a balanced blend of builders, surfactants and solvents. MEAN JOE™ will penetrate and dissolve grease, oil, ink and heavy grime. MEAN JOE™ is effective on animal fats and petroleum oils.

DIRECTIONS FOR USE

Diluted up to 30:1 MEAN JOE™ is a most economical yet highly effective general purpose cleaner & degreaser. Excellent results can be obtained when used through a pressure wash system. Rinse thoroughly when used on glass, stainless steel and aluminum.
