DIRECTIONS FOR USE

SPOT CLEANING WALLS

Mix at 2-4 oz. per gallon of water (1:64 – 1:32). Use a clean bucket with an appropriate scrub pad or rag. Diluted product can also be poured into a trigger sprayer for easy spray & wipe cleaning.

DAMP MOPPING / FLOOR CLEANING

Mix 1-2 oz. per gallon of water (1:128 – 1:64). Using a clean mop bucket and mop, damp mop entire floor area. Change mop water frequently as it becomes visibly dirty. **PINE AWAY™** will not dull high gloss finishes.

BATHROOM ODORS
