## RTU Carpet & Upholstery Spotter

ITEM# FCRM

REMARKABLE™  
RTU Carpet & Upholstery Spotter

**WENCO® REMARKABLE™** is truly the next generation in spot and stain removal for carpets and upholstery. This formula contains the cleaning power of Hydrogen Peroxide (H2O2) along with specialized surfactants to remove tough spots and stains. This color safe Hydrogen Peroxide formula quickly and safely penetrates within seconds of application resulting in total breakdown of the soil. As it dries the stain fades away. Contains no detergent which means no residue to cause re-soiling. No extraction equipment needed. The key to successful spot removal is time; the sooner you treat it the better your chances for removing it.

### DIRECTIONS FOR USE

**Always test first for color fastness in an inconspicuous area for compatibility.**

1. Remove any excess soil or spill from stain with a clean cloth or towel.
2. Spray **REMARKABLE™** directly on stain without over wetting.
3. Gently work product into soiled area with a spotting brush.
4. Allow sufficient contact time with the carpet fibers to loosen soil.
5. **REMARKABLE™** will continue to clean and brighten as it dries leaving no trace of stain or spot.
6. Use caution when using on wool carpets. Safe for use on 5th generation carpets.

### TECHNICAL PROPERTIES

Form.....Liquid  
 Color.....Fresh  
 Fragrance.....None  
 pH.....2.5-3.0  
 Specific Gravity@75°F.....1.01  
 Density@75°F.....8.42 lbs Per Gallon  
 Viscosity @ 75°F.....Thin  
 Stability.....1 Year Minimum

### AVAILABLE SIZES

- ✓ **12x1 Quart Case**  
 Bottles Contain 25% PCR  
 Carton Contains 55% PCR
- ✓ **55 Gallon Drum**  
 Reconditioned, Reused
