Supercharged Enzyme Detergent

WENCO® SCORE™ powdered laundry detergent is a unique blend of specialized enzymes and supercharged detergent agents providing superior cleaning to the toughest laundry challenges. It works effectively even in hard water conditions and is safe on all types of fabric. SCORE™ Supercharged Enzyme Detergent can be used manually or with dispenser to remove heavy-soiled athletic apparel, towels and gear. It is the proven formulation to scrub and refresh shirts, slacks, table linens, aprons and napkins for all onsite laundry operations including health care—truly a “winning” formulation with spectacular results.
