

# SYNERGY ONE™

## Complete Laundry Detergent

SYNERGY ONE™

*syn-er-gy - the interaction of elements that when combined produce a total effect that is greater than the sum of the individual elements.*

**WENCO® Synergy One™** is the next step in cleaner laundry. This special formulation combines the boost of alkalinity with advanced superior cleaning technology. It can tackle a majority of all types of oily and particulate soils. Works exceptionally well in hard water conditions as well as variant water temperatures. Synergy One is the true definition for clean white soft laundry. Use it when appearance matters.

### DIRECTIONS FOR USE

**WEAR GLOVES & EYE PROTECTION**

Contact your Walter E. Nelson sales representative for proper machine setup, dilution and use instructions.

### TECHNICAL PROPERTIES

|                              |                       |
|------------------------------|-----------------------|
| Form.....                    | Liquid                |
| Color.....                   | Red                   |
| pH.....                      | 13+                   |
| Specific Gravity @ 75°F..... | 1.20                  |
| Density @ 75°F.....          | 10.0 lbs Per Gallon   |
| Viscosity @ 75°F.....        | <100 CPS              |
| Chlorine.....                | None                  |
| Foam.....                    | None                  |
| Solvents.....                | None                  |
| Alkalinity.....              | 24% Na <sub>2</sub> O |
