

WENMIX # 10

VANQUISH - Non-Acid Washroom Cleaner

WENCO® WENMIX VANQUISH™ is a concentrated hard surface water based cleaner that contains no acids or abrasives. Revolutionary formulation that works like an acid but it's not. Dissolves soap scum, hard water films, lime scale build up, water spots on bathroom fixtures. Safe for use on all water washable surfaces such as; chrome, stainless steel, porcelain, ceramic tile, fiberglass, glass shower doors, drinking fountains and much more.

ITEM# **FCWEN10**

CHECK WITH YOUR WALTER E. NELSON SALES REPRESENTATIVE FOR FURTHER INFORMATION AND PROPER USE DIRECTIONS.

DIRECTIONS FOR USE

Because of its wide range of applications, experimentation at different dilution ratios is recommended.

Light cleaning:

1:40 ratio (3 ounce per gallon of water)

General Cleaning:

1:30 ratio (4 ounce per gallon of water)

Heavy-duty Cleaning:

1:20 ratio (6 ounce per gallon of water)

Always allow sufficient contact time to loosen soil then rinse surfaces thoroughly with water.

TECHNICAL PROPERTIES

Form.....Liquid
 Appearance.....Clear
